SECTION 2 - PROXIES AND VOTING RIGHTS

MANAGEMENT SOLICITATION

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals' authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out-of-pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT OF PROXY

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed on the enclosed form of proxy are officers and/or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person or company to attend and act for or on behalf of that Shareholder at the Meeting, other than the Management Proxyholders named in the enclosed form of proxy. A proxyholder need not be a Shareholder.

To exercise the right, the Shareholder may do so by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the form of proxy. Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and should provide instruction to the nominee on how the Shareholder's Shares should be voted. The nominee should bring personal identification to the Meeting.

Those Shareholders desiring to be represented at the Meeting by proxy must deposit their respective forms of proxy with the Company's registrar and transfer agent, Odyssey Trust Company by:

- (a) email to proxy@odysseytrust.com; or
- (b) mail or personal delivery to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge Street, Toronto, ON M5E 1J8; or
- (c) facsimile to Odyssey Trust Company, Attn: Proxy Department, at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international); or

- (d) internet at <https://login.odysseytrust.com/pxlogin> and follow the online voting instructions given to you. You will require your 12-digit control number found on your form of proxy. If you vote through the internet, you may also appoint another person to be your proxyholder.

VOTING BY PROXY AND EXERCISE OF DISCRETION BY MANAGEMENT PROXYHOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. As of the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

NON-REGISTERED HOLDERS

Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased Shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or clearing agency such as the Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your Shares through a broker or otherwise deposited your Shares with your broker, you are likely a non-registered holder.

In accordance with relevant securities laws and regulations, the Company has distributed copies of the form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the proxy form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”). Hereinafter,

NOBOS and OBOs will collectively be referred to as “**Non-Registered Holders**”.

ADVICE TO NON-REGISTERED HOLDERS

The information in this section is of significant importance to many Shareholders, as a substantial number do not hold their Shares in their own name.

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are “non-registered holders” because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which Shares were purchased. More particularly, a person is not a registered Shareholder in respect of Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. or CDS & Co.) of which the Intermediary is a participant. In accordance with the requirements set out in NI 54-101, the Company has distributed copies, as the case may be, of, Notice of Meeting, this Circular, and the form of proxy/VIF (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of a one-page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the Management Nominees named in the form and insert the Non-Registered Holder’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their

Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

As previously mentioned, there are two types of Non-Registered Holders: (i) those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”), and (ii) those who do not object to their identity being made known to the issuers of securities which they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may deliver proxy-related materials directly to NOBOs.

The Company is sending these Meeting Materials directly to registered Shareholders and NOBOs. If you are a NOBO, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Shares on your behalf.

REVOCATION OF PROXIES

A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing (or if the Shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized), deposited at Odyssey Trust Company, registrar and transfer agent for the Shares, by mail or personal deliver to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge Street, Toronto, ON M5E 1J8; or (b) by facsimile to Odyssey Trust Company, Attn: Proxy Department, at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), not later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays in Ontario) before the Meeting, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof or with the Chair of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits, the proxy is revoked.

The Company may refuse to recognize any instrument of proxy deposited in writing or by the internet received later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the Meeting or any adjournment thereof.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgement by a United States court.

SECTION 3 – VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

RECORD DATE

The board of directors of the Company (the “**Board**”) has fixed Monday, May 15, 2023, as the record date (the “**Record Date**”) for determination of persons entitled to receive Notice of Meeting. The Company will prepare or cause to be prepared a list of persons recorded as Shareholders as of the close of business on the Record Date, each of whom shall be entitled to vote the Shares shown opposite his/her/its name on the list at the Meeting or any adjournment thereof, except to the extent that: (a) any such Shareholder has transferred ownership of any of their Shares subsequent to the Record Date; and (b) the transferee produces properly endorsed Share certificates evidencing the transfer or otherwise establishes that the transferee owns the transferred Shares and demands, not later than ten (10) days before the Meeting, that they be included on the list of Shareholders entitled to vote at the Meeting, in which case the transferee, instead of the transferor, will be entitled to vote the transferred Shares at the Meeting or any adjournment thereof.

In addition, persons who are Non-Registered Holders as at the Record Date will be entitled to exercise their voting rights in accordance with the procedures established under NI 54-101. See “*Section 2 – Proxies and Voting Rights – Advice to Non-Registered Holders*.”

VOTING RIGHTS

The Company is authorized to issue an unlimited number of Shares without par value. As at the Record Date, there were 49,345,977 Shares issued and outstanding. Each Shareholder is entitled to one vote for each Share registered in his/her/its name. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Shares.

PRINCIPAL HOLDERS OF SHARES

To the knowledge of the directors and executive officers of the Company based upon review of the records maintained by the transfer agent of the Company and insider reports filed with the System for Electronic Disclosure by Insiders (SEDI), the following holder beneficially owns or controls or directs, directly or indirectly, voting securities carrying more than 10% of the voting rights as at the Record Date.

SECTION 4 – PARTICULARS OF MATTERS TO BE ACTED UPON

MANAGEMENT OF THE COMPANY KNOWS OF NO OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THOSE REFERRED TO IN THE NOTICE OF MEETING. HOWEVER, IF ANY OTHER MATTERS THAT ARE NOT KNOWN TO MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE

Additional details regarding each of the matters to be acted upon at the Meeting are set forth below.

The Company’s constating documents stipulate there shall be not less than three (3) directors. In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders in person or by proxy at the Meeting.

Management believes the passing of the above resolution is in the best interests of the Company and recommends Shareholders vote in favour of the ordinary resolutions fixing the number of directors to be elected at the Meeting as set out above. Unless directed to the contrary, it is the intention of the Management Proxyholders named in the enclosed instrument of proxy to vote proxies FOR fixing the number of directors of the Company at four (4).

5. APPROVAL OF STOCK OPTION PLAN

The Company has established a stock option plan under which directors, officers, employees and consultants of the Company may be granted stock options to acquire Shares. TSX Venture Exchange (the “**Exchange**”) policies respecting the granting of stock options requires that all companies listed on the Exchange implement a stock option plan and that any “rolling” stock option plan must receive Shareholder approval on an annual basis.

The stock option plan of the Company, dated for reference May 21, 2021, as amended September 23, 2022 (the “**Stock Option Plan**”), is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance shall not exceed 10% of the total number of issued Shares (calculated on a non-diluted basis) at the time a stock option is granted. This Stock Option Plan was last approved by Shareholders at the Company’s Annual General and Special Meeting of Shareholders held October 14, 2021.

Subsequent to such approval, the Exchange updated its policy concerning security-based compensation (the “**Security-Based Compensation Policy**”) advising that any outstanding security-based compensation plan that does not comply with the Security-Based Compensation Policy will need to be amended to comply with the Security-Based Compensation Policy the next time it is placed before a company’s shareholders for approval. In connection with the changes required by the Security-Based Compensation Policy, the Board has adopted certain amendments to the Stock Option Plan in order to bring the Stock Option Plan into compliance with the Security-Based Compensation Policy.

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution approving the Stock Option Plan. A summary of the amendments made September 23, 2022, as set out below is qualified in its entirety by the full text of the Stock Option Plan, which will be available at the Meeting for review by Shareholders and is attached hereto as Schedule “A”.

Summary of Amendments

- limitation on the number of Shares that may be reserved for issuance to any one Person in any 12-month period under the Stock Option Plan and any Other Share Compensation Arrangement reduced from 6% to 5% of the Shares outstanding at the time of the grant, unless the Company has obtained Disinterested Shareholder Approval to exceed such limit;
- unless the Company has obtained Disinterested Shareholder Approval to do so, the aggregate number of Shares that may be reserved for issuance to insiders of the Company under the Stock Option Plan and any Other Share Compensation Arrangement shall not exceed 10% of the outstanding Shares at any point in time;
- the minimum exercise price of \$0.10 per Share has been removed; and

- Disinterested Shareholder Approval must be obtained for the extension of the term of an Option, if the option holder is an Insider of the Company at the time of the proposed amendment.

Capitalized terms used in the above summary but not defined herein shall have the respective meanings given to them in the Stock Option Plan.

The text of the Stock Option Plan Resolution to be submitted to Shareholders at the Meeting is set forth below:

In order for the foregoing Stock Option Plan Resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders in person or by proxy at the Meeting.

Management of the Company has reviewed the Stock Option Plan Resolution, concluded that it is fair and reasonable to the Shareholders and in the best interest of the Company, and recommends Shareholders vote in favour of ratifying, confirming and approving the Stock Option Plan. Unless directed to the contrary, it is the intention of the Management Proxyholders named in the enclosed instrument of proxy to vote proxies FOR the Stock Option Plan Resolution.

Stock Option Plans and Other Incentive Plans

10% “rolling” Stock Option Plan

The following is a summary of the principal terms of the Stock Option Plan.

The maximum number of issued and outstanding Shares reserved for issuance under the Stock Option Plan is a “rolling” 10% of the issued and outstanding Shares at the time of a stock option (“**Option**”) grant, less the aggregate number of Shares then reserved for issuance pursuant to any other share compensation arrangement of the Company.

Every Option granted has a term not exceeding 10 years from the date of grant, as determined by Board, and the exercise price shall be determined by the Board, but will in no event be less than: (i) if the Shares are listed for trading on any stock exchange, then the market price of the Shares, as such term has the meaning ascribed thereto under the applicable rules and policies of such exchange, or (ii) if the Shares are not listed on any stock exchange, then the fair market value of the Shares, being the aggregate value of all investments held by the Company and its subsidiaries divided by the number of issued and outstanding Shares less any Share held by the Company. The aggregate value of any investment in a publicly listed issuer is derived, for the purposes of the Stock Option Plan, by adding the value of publicly listed shares based on the closing price on the trading day prior to grant of Options, and in the money warrants of publicly listed issuers will be valued using the difference between the exercise price of such warrants and the last traded price for that security prior to an Option grant. Investments in private issuers will be valued using the last financing completed by that issuer prior to the Option grant less any liabilities owed by the issuer or any of its subsidiaries.

If Options are granted within ninety (90) days of a distribution by the Company by prospectus, then the exercise price per Share for such Option will be the greater of the minimum exercise price described in the preceding paragraph and the price per Share paid by the public investors for the Shares acquired pursuant to such distribution. Such ninety (90) day period shall begin: (i) on the date the final receipt is issued for the final prospectus in respect of such distribution; and (ii) in the case of a prospectus that qualifies special warrants, on the closing date of the private placement in respect of such special warrants.

The Stock Option Plan provides that Options granted to consultants performing investor relations activities on behalf of the Company shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such options vesting in any 3-month period. Otherwise, the Stock Option Plan contains no vesting requirements and permits the Board to specify a vesting schedule in its discretion.

In addition, the Stock Option Plan provides as follows:

- (a) the number of Shares reserved for issuance to any Person in any 12-month period under the Stock Option Plan and any Other Share Compensation Arrangement shall not exceed 5% of the Shares outstanding at the time of the grant, unless the Company has obtained Disinterested Shareholder Approval to exceed such limit;
- (b) the number of Shares reserved for issuance to any one Consultant in any 12-month period under the Stock Option Plan and any Other Share Compensation Arrangement shall not exceed 2% of the Shares outstanding at the time of the grant;
- (c) the aggregate number of Shares reserved for issuance to all Persons conducting Investor Relations Activities in any 12-month period under the Stock Option Plan shall not exceed 2% of the outstanding Shares at the time of the grant; and
- (d) unless the Company has received Disinterested Shareholder Approval to do so:
 - (i) the aggregate number of Shares reserved for issuance to Insiders under the Stock Option Plan and any Other Share Compensation Arrangement shall not exceed 10% of the outstanding Shares at any point in time; and
 - (ii) the aggregate number of Shares reserved for issuance to Insiders in any 12-month period under the Stock Option Plan and any Other Share Compensation Arrangement shall not exceed 10% of the outstanding Shares at the time of grant.

If a participant ceases to be an Eligible Person, then the Stock Option Plan provides that:

- (a) if such Participant is terminated for cause, then each Option held by such Participant shall terminate and shall thereafter cease to be exercisable no later than the earlier of the Expiry Date and the date which is 30 days after such termination for cause;
- (b) if such Participant is prevented, by order or similar decision of the British Columbia Securities Commission or other regulatory authority having jurisdiction over the Company or its affairs, from holding an Option, then each Option held by such Participant shall terminate and shall thereafter cease to be exercisable upon the making of such order or similar decision;
- (c) if such Participant dies prior to otherwise ceasing to be an Eligible Person, each Option held by such Participant shall terminate and shall thereafter cease to be exercisable no later than

the earlier of the Expiry Date and the date which is 12 months after the date of such participant's death; or

- (d) if such Participant ceases to be an Eligible Person other than in the circumstances set out in subsections (a), (b) or (c) above, each Option held by such Participant shall terminate and shall thereafter cease to be exercisable no later than the earlier of the Expiry Date and the date which is 90 days after such terminating event, always provided that the Board may allow for each Option held by such participant to terminate and cease to be exercisable on such later date, not exceeding 12 months following the participant ceasing to be an Eligible Person, as the Board in its discretion may determine is reasonable.

If any portion of an Option is not vested at the time a Participant ceases, for any reason whatsoever, to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion, thereafter permit the participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and thereafter ceases to be exercisable pursuant to the terms described in subsections (a) to (d) above.

The Stock Option Plan further provides for the treatment of the Options upon the occurrence of certain events, including in the context of, but not limited to, a Share consolidation or split, reclassification or other capital reorganization, arrangement, merger or combination, or take-over bid.

The Board may amend any Option with the consent of the affected participant. For greater certainty, Disinterested Shareholder Approval is required for any reduction in the exercise price of an Option, or extension of the term of an Option, if the participant is an Insider at the time of the proposed amendment.

Capitalized terms used in the above summary but not defined herein shall have the respective meanings given to them in the Stock Option Plan, attached hereto as Schedule "A".

Compensation Discussion and Analysis

Philosophy

In determining the compensation to be paid or awarded to its executives, the Board seeks to encourage the advancement of the Company's business, with a view to enhancing shareholder value. To achieve these objectives, the Company believes it is critical to create and maintain a compensation program that attracts and retains committed, highly qualified personnel by providing appropriate rewards and incentives that align the interest of its executives with those of its shareholders. In addition, as the Company operates with limited financial resources, the Board needs to consider not only the Company's financial situation at the time of determining executive compensation but also the Company's estimated financial situation in the mid and long term.

The Company's executive compensation program consists of a combination of base salary and long-term incentives in the form of participation in the Stock Option Plan. In making its determinations regarding the various elements of executive Option grants, the Company will seek to meet the following objectives:

- (a) to attract, retain and motivate talented executives who create and sustain the Company's continued success within the context of compensation paid by other companies of comparable size engaged in similar business in appropriate regions;
- (b) to align the interests of the NEOs with the interests of the Company's shareholders; and

- (c) to incent extraordinary performance from key employees.

Oversight and Description of Director and Named Executive Officer Compensation

The Board determines director and senior officer compensation based on the recommendations of the Compensation Committee. With consultation from the CEO, the Compensation Committee is responsible for:

- reviewing and approving corporate goals and objectives relevant to the compensation of the CEO and other executive officers, evaluating the performance of the CEO and the other executive officers in light of those goals and objectives and approving their annual compensation levels, including salaries, bonuses and equity-based awards based on such evaluation; and
- reviewing the compensation of directors for service on the Board and its committees and recommending to the Board the annual Board member compensation package, including retainer, committee member and chair retainers, Board and committee meeting attendance fees and any other form of compensation, such as equity-based awards.

While the Board is ultimately responsible for determining all forms of compensation to be awarded to the CEO, other executive officers and directors, the Compensation Committee will, when appropriate, review the Company's compensation philosophy, policies, plans and guidelines and recommend any changes to the Board.

The Compensation Committee periodically reviews the adequacy and form of compensation of the directors of the Company to ensure the compensation appropriately reflects the responsibilities and risks involved in being an effective director and based on such review, reports and makes recommendations to the Board.

During the financial year ended December 31, 2022, the Company paid each director who is not also an employee or officer of the Company a director fee of \$6,000.00 per month for the provision of director services to its directors to compensate them for their time and commitment, including, but not limited to, time preparing for board meetings, reviewing board materials, and other director duties associated with serving on the Board. Collin Kettell, an executive officer and a director of the Company, does not receive any additional compensation for his services as a director of the Company.

Directors who serve as committee members, be it Audit Committee membership or Compensation and Corporate Governance Committee membership, do not receive an additional retainer for the added responsibilities with these roles.

Base Salary

The base salary for each executive is established by the Board, on the recommendation of the Board, based upon the position held by such executive, competitive market conditions, such executive's related responsibilities, experience and the NEO's skill base, the functions performed by such executive and the salary ranges for similar positions in comparable companies. Individual and corporate performance will also be taken into account in determining base salary levels for executives.

Cash Bonuses

Cash bonuses do not form a normal part of the Company's executive compensation. However, the Company may elect to utilize such incentives where the role-related context and competitive environment suggest that such a compensation modality is appropriate. When and if utilized, the amount of cash bonus compensation will normally be paid on the basis of timely achievement of specific pre-agreed milestones. Each milestone will be selected based upon consideration of its impact on shareholder value creation and the ability of the Company to achieve the milestone during a specific interval. The amount of bonus compensation will be determined based upon achievement of the milestone, its importance to the Company's near and long-term goals at the time such bonus is being considered, the bonus compensation awarded to similarly situated executives in similarly situated companies or any other factors the Board may consider appropriate at the time such performance-based bonuses are decided upon. The quantity of bonus will normally be a percentage of base salary not to exceed 100%. However, in exceptional circumstances, the quantity of bonus paid may be connected to the shareholder value creation embodied in the pre-agreed milestones. The determination to pay cash bonuses is evaluated on an ongoing basis by the Board.

Options

Options are a key compensation element for the Company. Options are an important component of aligning the objectives of the Company's executive officers and consultants with those of Shareholders, while encouraging them to remain associated with the Company. The Company expects to provide significant Option positions to its executive officers and consultants. The precise amount of Options to be offered will be governed by the importance of the role within the Company, by the competitive environment within which the Company operates, and by the regulatory limits on Option grants that cover organizations such as the Company. When considering an award of Options to an executive officer, consideration of the number of Options previously granted to the executive may be taken into account, however, the extent to which such prior grants remain subject to resale restrictions will generally not be a factor.

Compensation Risks

In making its compensation-related decisions, the Board carefully consider the risks implicitly or explicitly connected to such decisions. These risks include the risks associated with employing executives who are not world-class in their capabilities and experience, the risk of losing capable but under-compensated executives, and the financial risks connected to the Company's operations, of which executive compensation is an important part.

In adopting the compensation philosophy described above, the principal risks identified by the Company are:

- (a) that the Company will be forced to raise additional funding (causing dilution to Shareholders) in order to attract and retain the calibre of executive employees that it seeks; and
- (b) that the Company will have insufficient funding to achieve its objectives.

Hedging by Named Executive Officers or Directors

The Company has no policy with respect to NEOs or directors purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Employment, Consulting and Management Agreements

The Company has entered into executive employment contracts with Messrs. Kettell and Moubarak (together, the “**Executive Contracts**” and, individually, an “**Executive Contract**”). The Executive Contracts are summarized below.

Termination and Change of Control Benefits

The Company may terminate the Executive Contracts at any time for cause, without notice or pay in lieu of notice and without obligation to pay any further salary, bonus or benefits following the termination date. Under the terms of the Argentum Agreement, at any time within 60 days following a change of control of the Company, Argentum or the Company may elect to terminate the Argentum Agreement. Upon such termination, the Company is obliged to compensate Argentum: (i) a termination fee equal to 24 months of the Argentum Base Fee; and (ii) any accrued liabilities owing to Argentum under the Argentum Agreement. Under the terms of the BM Strategic Agreement, at any time within 60 days following a change of control of the Company, BM Strategic or the Company may elect to terminate the BM Strategic Agreement. Upon such termination, the Company is obliged to compensate BM Strategic: (i) a termination fee equal to 24 months of the BM Strategic Base Fee; and (ii) any accrued liabilities owing to BM Strategic under the BM Strategic Agreement.

The Company does not have any pension, retirement, defined benefit, defined contribution or deferred compensation plans that provides for payments or benefits to its directors and NEOs at, following, or in connection with retirement and none are proposed at this time.

SECTION 6 - AUDIT COMMITTEE

It is the Board's responsibility to ensure that an effective internal control framework exists within the Company. The Audit Committee has been formed to assist the Board in meeting its oversight responsibilities in relation to the Company's financial reporting and external audit function, internal control structure and risk management procedures. In doing so, it is the responsibility of the Audit Committee to maintain free and open communication between the Audit Committee, the external auditor and the management of the Company.

National Instrument 52-110 - *Audit Committees* ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor. Such disclosure is set forth below.

AUDIT COMMITTEE CHARTER

The full text of the Company's Audit Committee Charter is attached as Schedule "B" to this Circular.

COMPOSITION OF AUDIT COMMITTEE

As at the date hereof, the Audit Committee of the Company is comprised of three directors, namely Gregor Gregersen, Elizabeth Harrison and William Hayden. Gregor Gregersen serves as the Chair of the Audit Committee of the Company. The members of the Audit Committee are appointed by the Board at its first meeting following the annual meeting of Shareholders to serve one-year terms and are permitted to serve an unlimited number of consecutive terms.

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board, reasonably interfere

with the exercise of the member's independent judgment. As the Company is classified as a venture issuer, the Company is exempt from the Audit Committee composition requirements in NI 52-110 which require all Audit Committee members to be independent. Nevertheless, all of the members of the Company's Audit Committee are all considered to be independent.

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Company is required to disclose its corporate governance practices. Corporate governance relates to the policies, structure and activities of a board of directors of a corporation, the members of which are elected by and are accountable to the shareholders of the corporation, and takes into account the role of the individual members of management who are appointed by the board of directors and who are charged with the day-to-day management of the corporation.

National Policy 58-201 - *Corporate Governance Guidelines* (“**NP 58-201**”) establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices.

Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making and believes the Company’s system of corporate governance meets or exceeds the majority of the guidelines and requirements contained in NP 58-201.

 - (i) to determine the Eligible Persons to whom Options are granted, to grant such Options, and to determine any terms and conditions, limitations and restrictions in respect of any particular Option grant, including but not limited to the nature and duration of the restrictions, if any, to be imposed upon the acquisition, sale or other disposition of Common Shares acquired upon exercise of the Option, and the nature of the events and the duration of the period, if any, in which any Participant's rights in respect of an Option or Common Shares acquired upon exercise of an Option may be forfeited;
 - (ii) to interpret the terms of this Plan, to make all such determinations and take all such other actions in connection with the implementation, operation and administration of this Plan, and to adopt, amend and rescind such administrative guidelines and other rules and regulations relating to this Plan, as it shall from time to time deem advisable, including without limitation for the purpose of ensuring compliance with Section 3.3 and 3.4 hereof.
- (b) The Board's interpretations, determinations, guidelines, rules and regulations shall be conclusive and binding upon the Corporation, Eligible Persons, Participants and all other Persons.

3.2 Amendment, Suspension and Termination

The Board may amend, subject to the approval of any regulatory authority whose approval is required, suspend or terminate this Plan or any provision herein. If this Plan is suspended or terminated, the provisions of this Plan and any administrative guidelines, rules and regulations relating to this Plan shall continue in effect for the duration of such time as any Option remains outstanding.

3.3 Compliance with Laws

- (a) This Plan, the grant and exercise of Options hereunder and the Corporation's obligation to sell, issue and deliver any Common Shares upon exercise of Options shall be subject to all applicable federal, provincial and foreign Laws, policies, rules and regulations, to the policies, rules and regulations of any stock exchanges or other markets on which the Common Shares are listed or quoted for trading and to such approvals by any Governmental Authority as may, in the opinion of counsel to the Corporation, be required. The Corporation shall not be obligated by the existence of this Plan or any provision of this Plan or the grant or exercise of Options hereunder to sell, issue or deliver Common Shares upon exercise of Options in violation of such Laws, policies, rules and regulations or any condition or requirement of such approvals.
- (b) No Option shall be granted and no Common Shares sold, issued or delivered hereunder where such grant, sale, issue or delivery would require registration or other qualification of this Plan or of the Common Shares under the applicable securities Laws of any foreign jurisdiction, and any purported grant of any Option or any sale, issue and delivery of Common Shares hereunder in violation of this provision shall be void. In addition, the Corporation shall have no obligation to sell, issue or deliver any Common Shares hereunder unless such Common Shares shall have been duly listed, upon official notice of issuance, with all stock exchanges on which the Common Shares are listed for trading.
- (c) Common Shares sold, issued and delivered to Participants pursuant to the exercise of Options shall be subject to restrictions on resale and transfer under applicable securities laws and the requirements of any stock exchanges or other markets on which the Common Shares are listed or quoted for trading, and any certificates representing such Common Shares shall bear, as required, a restrictive legend in respect thereof.

3.4 Tax Withholding

- (a) Notwithstanding any other provision contained herein, in connection with the exercise of an Option by a Participant from time to time, as a condition to such exercise the Corporation shall require such Participant to pay to the Corporation or any relevant Subsidiary an amount as necessary so as to ensure that the Corporation or such Subsidiary, as applicable, is in compliance with the applicable provisions of any federal, provincial or local Laws relating to the withholding of tax or other required deductions relating to the exercise of such Options. In addition, the Corporation or the relevant Subsidiary, as applicable, shall be entitled to withhold from any amount payable to a Participant, either under this Plan or otherwise, such amount as may be necessary so as to ensure that the Corporation or the relevant Subsidiary is in compliance with the applicable provisions of any federal, provincial or local Laws relating to the withholding of tax or other required deductions

relating to the exercise of such Options.

ARTICLE 4 OPTION GRANTS

ARTICLE 5
ARTICLES OPTION TERMS

5.1 Exercise Price

- (a) The exercise price per Common Share for an Option shall be determined by the directors or their delegates, if any, but will in no event be less than the Market Price for the Common Shares.
- (b) If Options are granted within ninety days of a distribution by the Corporation by prospectus, then the exercise price per Common Share for such Option will be the greater of the minimum exercise price calculated pursuant to subsection (a) herein and the price per Common Share paid by the public investors for Common Shares acquired pursuant to such distribution. Such ninety-day period shall begin:
 - (i) on the date the final receipt is issued for the final prospectus in respect of such distribution; and
 - (ii) in the case of a prospectus that qualifies special warrants, on the closing date of the private placement in respect of such special warrants.

5.2 Expiry Date

Every Option shall have a term not exceeding 10 years and shall therefore expire no later than 10 years after the date of grant.

5.3 Vesting

- (a) Subject to the subsections 5.3(b), 5.6 and 5.7, the Board shall determine the manner in which an Option shall vest and become exercisable.
- (b) Options granted to Consultants performing Investor Relations Activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such Options vesting in any 3 month period.

5.4 Non-Assignability

Options may not be assigned or transferred.

5.5 Ceasing to be an Eligible Person

- (a) If a Participant who is a Director, Officer, Employee or Consultant is terminated for cause, which in respect of a Director shall be deemed to include:
 - (i) ceasing to meet the qualifications for a director prescribed by the corporate legislation applicable to the Corporation, other than as a result of bankruptcy or mental incompetency, and the Participant does not otherwise continue to qualify as an Eligible Person in a different capacity with the Corporation;
 - (ii) the delivery to that Director of a formal request for resignation signed by a majority

of the Board following a material breach of fiduciary duty by that Director and the Participant does not otherwise continue to qualify as an Eligible Person in a different capacity with the Corporation;

- (iii) ceasing to be a director by reason of a special resolution to that effect passed by the shareholders of the Corporation pursuant to the corporate legislation applicable to the Corporation, and the Participant does not otherwise continue to qualify as an Eligible Person in a different capacity with the Corporation,

then each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is 30 days after such termination for cause.

- (b) If a Participant is prevented, by order or similar decision of the British Columbia Securities Commission or other regulatory authority having jurisdiction over the Corporation or its affairs, from holding an Option, then each Option held by such Participant shall terminate and shall therefore cease to be exercisable upon the making of such order or similar decision.
- (c) If a Participant dies prior to otherwise ceasing to be an Eligible Person, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is twelve months after the date of the Participant's death.
- (d) If a Participant ceases to be an Eligible Person other than in the circumstances set out in subsection (a), (b) or (c) herein, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is 90 days after such terminating event, always provided that the Board may, allow for each Option held by such Participant to terminate and cease to be exercisable on such later date, not exceeding 12 months following the Participant ceasing to be an Eligible Person, as the Board in its discretion may determine is reasonable.
- (e) For greater certainty, if a Participant dies, each Option held by such Participant shall be exercisable by the legal representative of such Participant until such Option terminates and therefore ceases to be exercisable pursuant to the terms of this Section.
- (f) If any portion of an Option is not vested at the time a Participant ceases, for any reason whatsoever, to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this Section. For greater certainty, and without limitation, this provision will apply regardless of whether the Participant ceased to be an Eligible Person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.

5.6 Take-Over Bid

If a take-over bid, as defined under applicable securities Laws (the “Offer”), is made for Common Shares or Convertible Securities which, if successful (assuming the conversion exchange or exercise of the Convertible Securities, if any, that are the subject of the take-over bid), would result in any Person or Persons acting jointly or in concert as determined under applicable securities Laws, or Persons associated or affiliated with such Person or Persons as determined under applicable securities Laws beneficially, directly or indirectly, owning shares that would, notwithstanding any agreement to the contrary, entitle the holders thereof for the first time to cast at least 50% of the votes attaching to all shares in the capital of the Corporation that may be cast to elect Directors, the Corporation shall immediately upon receipt of notice of the Offer, notify each Participant of the full particulars of the Offer, whereupon all Options will become fully vested and the Options may be exercised in whole or in part by the Participant so as to permit the Participant to tender the Common Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Common Shares tendered by the Participant pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Common Shares received upon such exercise, or in the case of subsection 5.6(b) herein, the Common Shares that are not taken up and paid for by the offeror, may, at discretion of the Directors and, subject to the availability of applicable exemptions from issuer bid requirements under applicable Laws, be surrendered by the Participant to the Corporation for cancellation and with respect to such returned Common Shares, the Option shall be reinstated as if it had not been exercised. If any Common Shares are returned to the Corporation under this section, the Corporation shall immediately refund the exercise price to the Participant for the Options relating to such returned and cancelled Common Shares.

5.7 Going Public Transaction

Prior to completion of a Going Public Transaction, the Directors, applicable regulatory authorities or any underwriter or agent may require that there be no outstanding Options and, the Corporation may deliver a notice to the Participant to this effect, in which case the unvested portion of the Option held by the Participant, if any, will immediately vest and the Expiry Date of the Option will be the 30th day following the date of such notice. In such a case, in the event that the Corporation does not complete the Going Public Transaction, and any Options are cancelled following such 30-day period, the Corporation will, to the extent reasonably practicable, grant to the Participant whose Options were so cancelled an Option equivalent (including the original vesting terms, if any) to the Options so cancelled.

5.8 Going Public Agreements

If the Corporation commences a Going Public Transaction, each Participant will promptly enter into all such escrow, pooling or other agreements as are required by the Directors, any securities regulatory authorities or any agent or underwriters in connection with such Going Public Transaction.

ARTICLE 6 EXERCISE PROCEDURE

6.1 Exercise Procedure

An Option may be exercised from time to time, and shall be deemed to be validly exercised by the

Participant only upon the Participant's delivery to the Corporation at its registered office:

- (a) a written notice of exercise addressed to the Corporate Secretary of the Corporation, specifying the number of Common Shares with respect to which the Option is being exercised;
- (b) the originally signed option agreement with respect to the Option being exercised;

and on the business day following, the Participant shall be deemed to be a holder of record of the Common Shares with respect to which the Option is being exercised. The Corporation shall, within three business days of receipt of the notice of exercise and certified cheque or bank draft, cause certificates for such Common Shares to be issued and delivered to the Participant.

ARTICLE 7 AMENDMENT OF OPTIONS

7.1 Consent to Amend

The Board may amend any Option with the consent of the affected Participant. For greater certainty, Disinterested Shareholder Approval is required for any reduction in the exercise price of an Option, or extension of the term of an Option, if the Participant is an Insider at the time of the proposed amendment.

7.2 Amendment Subject to Approval

If the amendment of an Option requires regulatory or shareholder approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

ARTICLE 8 MISCELLANEOUS

8.1 No Rights as Shareholder

Nothing in this Plan or any Option shall confer upon a Participant any rights as a shareholder of the Corporation with respect to any of the Common Shares underlying an Option unless and until such Participant shall have become the holder of such Common Shares upon exercise of such Option in accordance with the terms of the Plan.

8.2 No Right to Employment

Nothing in this Plan or any Option shall confer upon a Participant any right to continue in the employ of the Corporation or any Affiliate or affect in any way the right of the Corporation or any Affiliate to terminate the Participant's employment, with or without cause, at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Affiliate to extend the employment of any Participant beyond the time which the Participant would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Affiliate, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Affiliate.

8.3 Governing Law

This Plan, all option agreements, the grant and exercise of Options hereunder, and the sale, issue and delivery of Common Shares hereunder upon exercise of Options shall be, as applicable, governed by and construed in accordance with the Laws of the Province of British Columbia and the federal Laws of Canada applicable therein. The Courts of the Province of British Columbia shall have the exclusive jurisdiction to hear and decide any disputes or other matters arising herefrom.

8.4 Effective Date
